

Are you the parent of a child with developmental disabilities or special health care needs?

Did you wish when your child was first diagnosed that you could talk to another parent with a similar situation?

Are you willing to share your experience and become a parent mentor for another parent?

Sharing Our Strengths...

Become a Parent Mentor

Thompson Center for Autism and Neurodevelopmental Disorders
300 Portland Street, Ste. 110
Columbia, MO 65211

Join us for a short training to become a parent mentor.
